

# 4 Port USB-C Hub DS-02

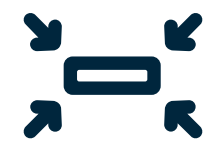

DS-02 4-Port USB-C Hub: Small Hub, Big Possibilities

If your workspace is a tangle of devices in dire need of a single port, meet the DS-02 USB-C Hub – a small hub with big possibilities and a knack for multitasking you didn't know you needed. This compact powerhouse turns one port into four, giving your gadgets the connections they need.

Don't let the ultra-compact size fool you; this hub delivers a whole lot. With 3 USB 2.0 ports for everyday essentials like keyboards and mice and a USB 3.0 port with 5Gbps speed, it's perfect for transferring big files in a moment. Why wait for minutes when you can wait for seconds?

Compatible with Windows, MacOS, and Android, the DS-02 is the ultimate solution for all your devices. And thanks to its sleek aluminum case, it doesn't end at top-notch performance – it has the looks too. Durable, lightweight, and stylish, it fits right into your modern workspace without adding the unnecessary bulk.

Need a hub that can handle traveling anywhere? The DS-02's portable size makes it easy to slip into your bag or pocket. It's ready to go wherever you need to connect: picture working from a café or sharing photos at a friend's place – it's as convenient as it can get. With the DS-02 USB-C Hub, your devices finally get the room to shine.

**4 COLOR OPTIONS:  
BLACK, DARK BLUE,  
GREEN, PINK**

Why settle for one look when you can choose from four? The DS-02 USB-C Hub comes in a range of sleek colors: Black for minimalists, Dark Blue for professionals, Green for the bold, and Pink for those who love a pop of personality. This hub can be an accessory that fits your style.

## TYPE C TO USB-A ADAPTER INCLUDED

No USB (C) port? No problem. The DS-02 features a Type C to USB-A adapter, making it compatible with older devices too. Your laptop can be cutting-edge or a reliable classic – and this hub will keep you connected no matter what, without any extra hassle.

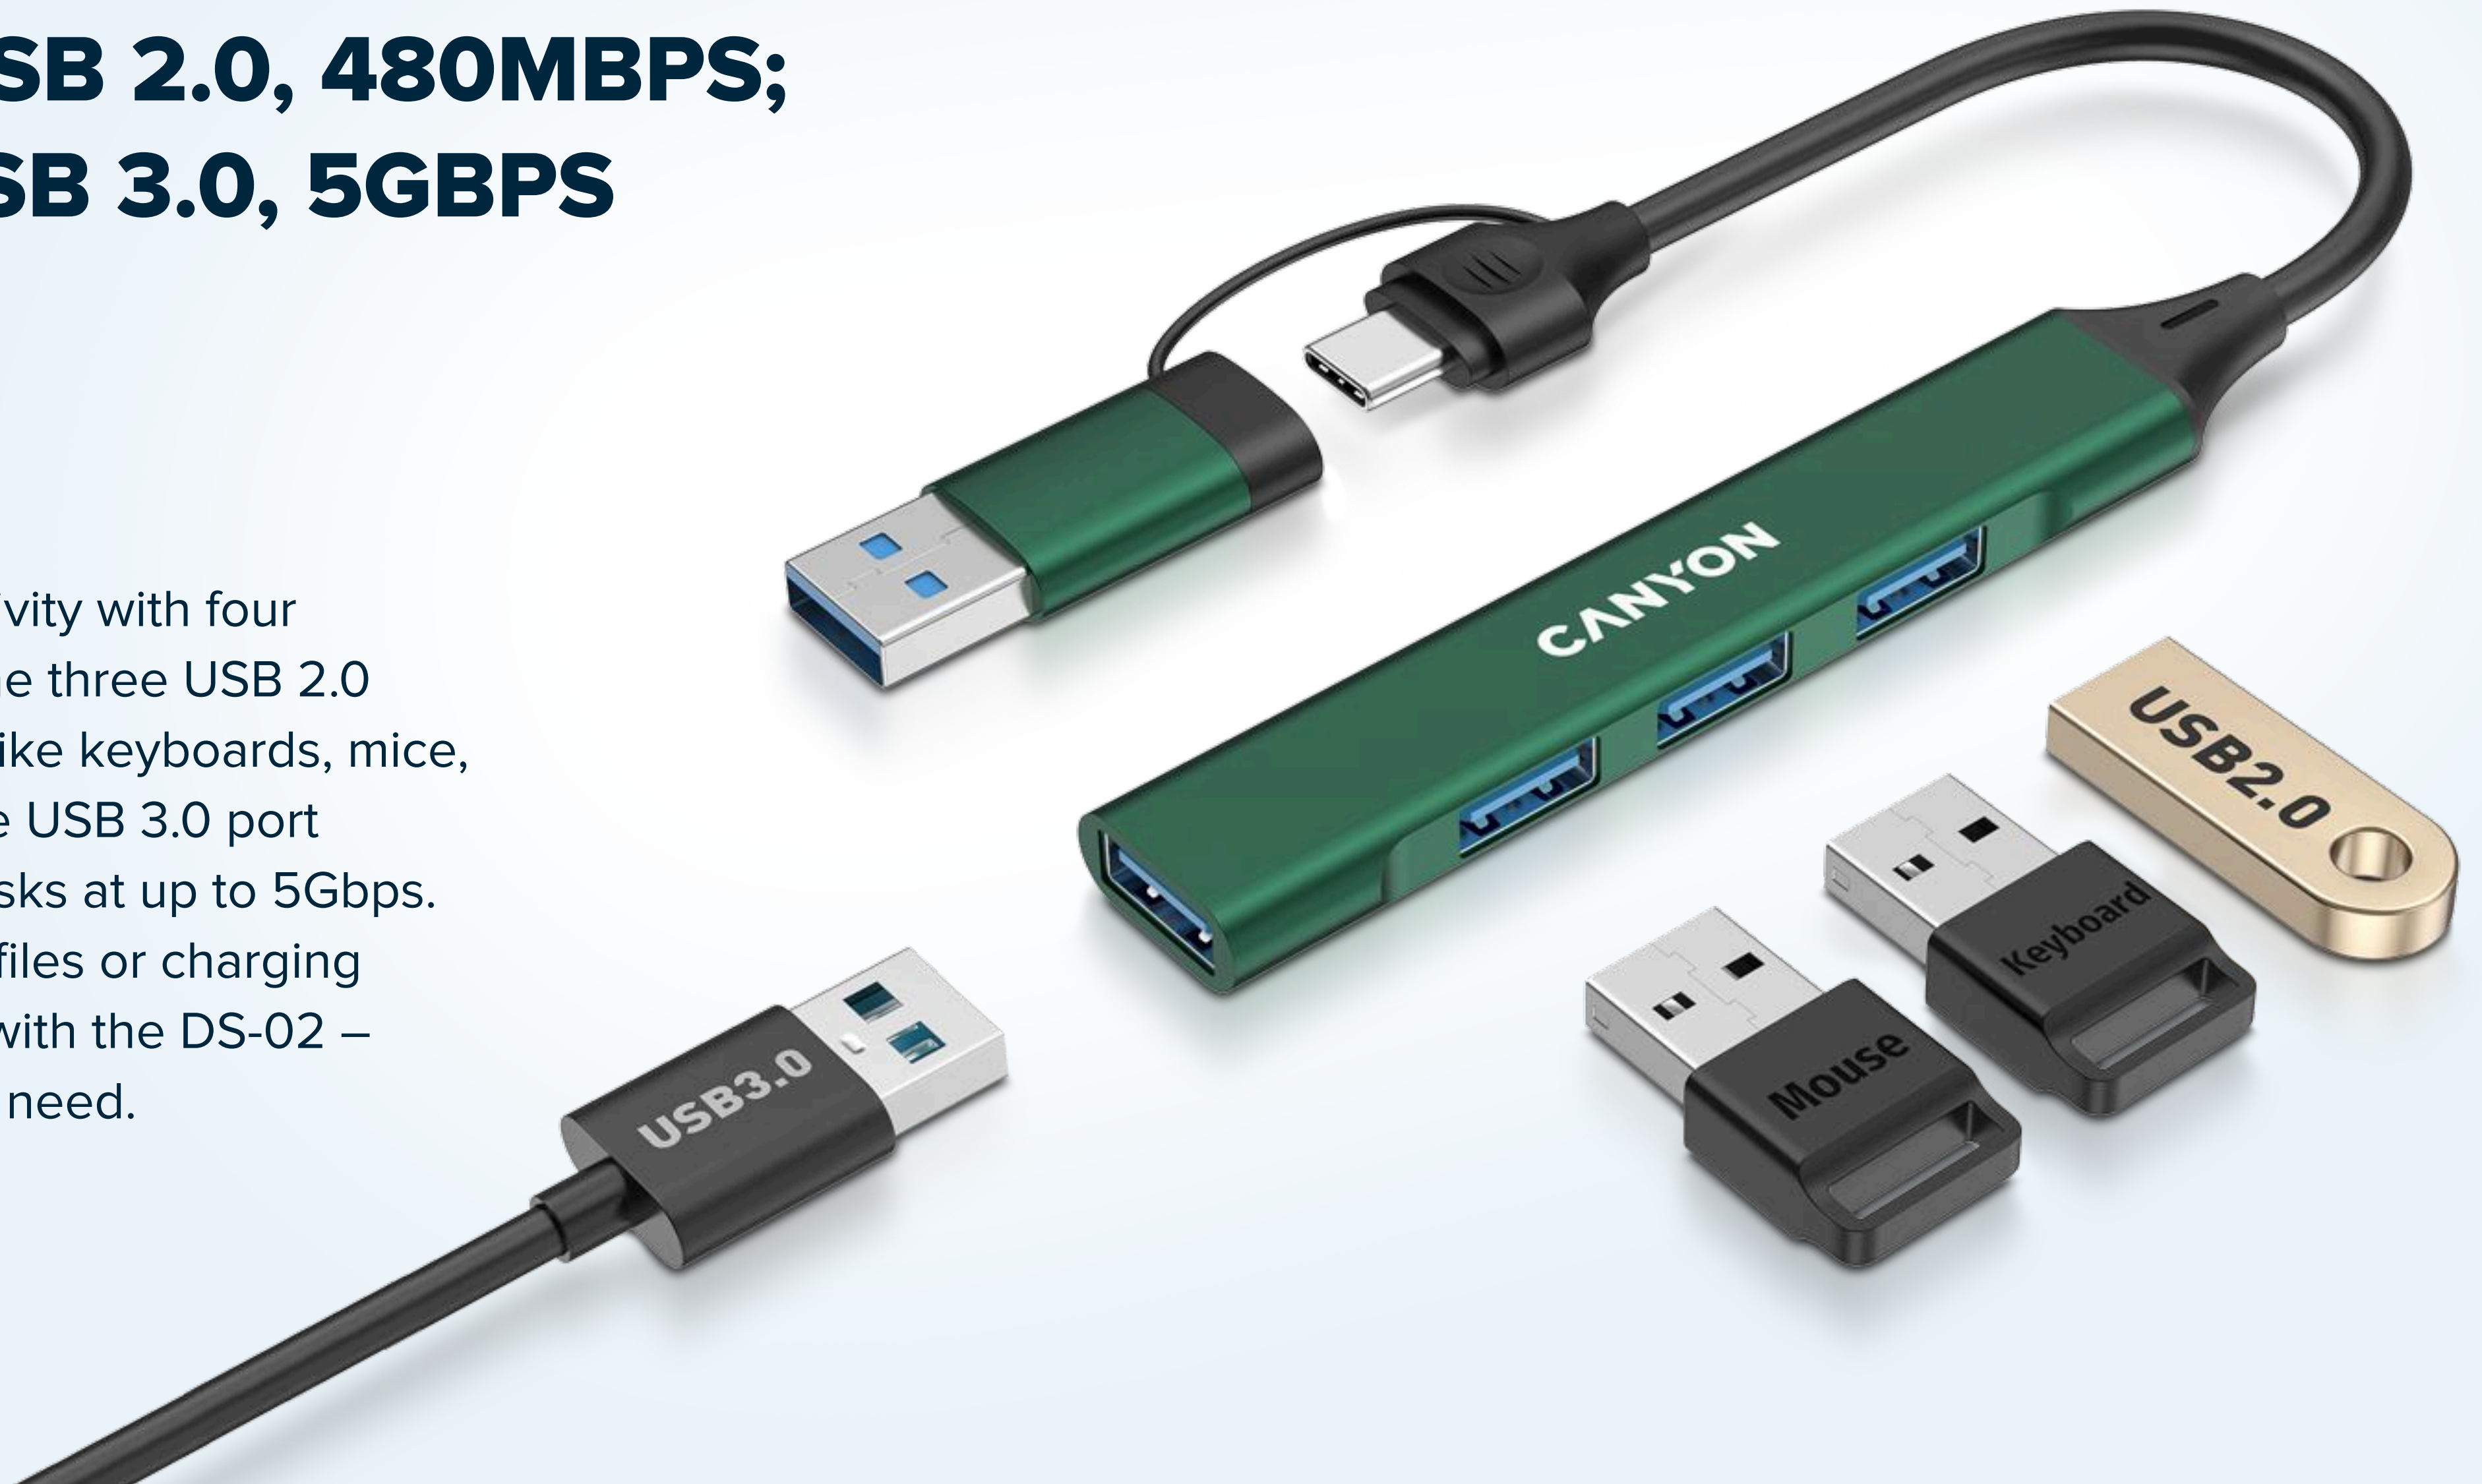

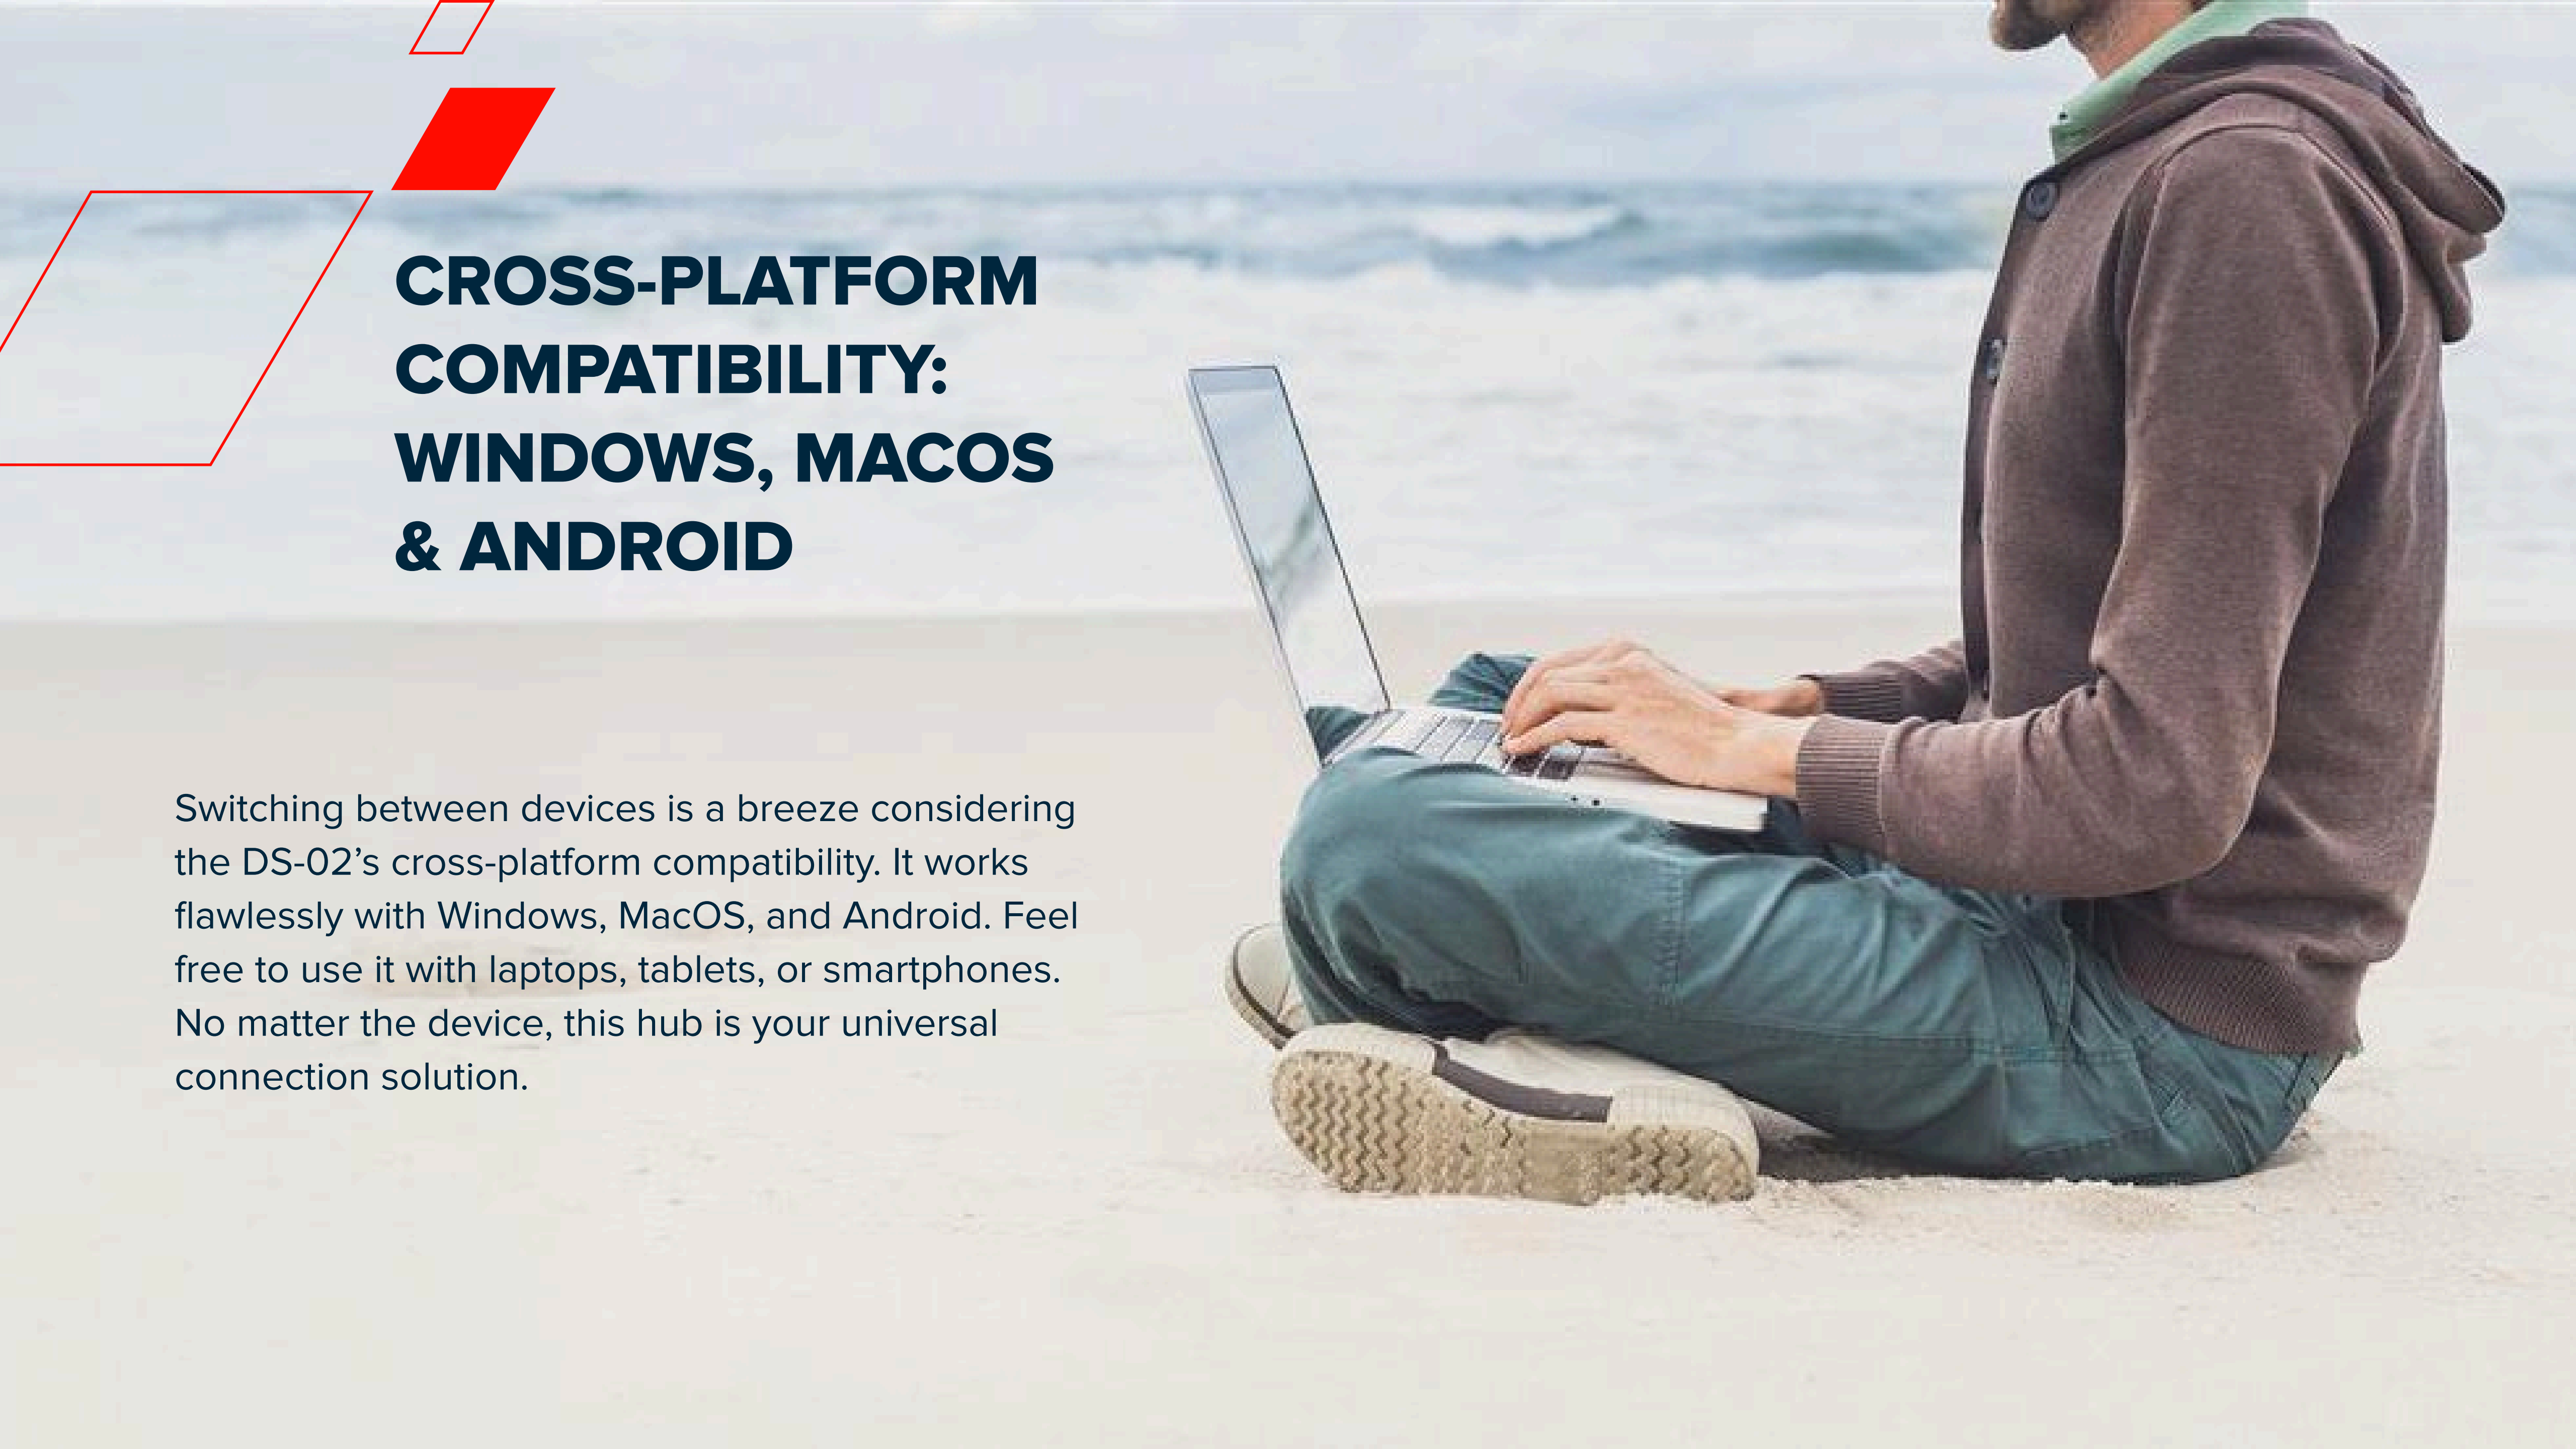

## **MULTIPLE PORTS: USB-A, 3XUSB 2.0, 480MBPS; 1XUSB 3.0, 5GBPS**

Expand your connectivity with four versatile ports. Use the three USB 2.0 ports for peripherals like keyboards, mice, or printers, and let the USB 3.0 port handle high-speed tasks at up to 5Gbps. Transferring massive files or charging your devices is easy with the DS-02 – it has a port for every need.

**CROSS-PLATFORM  
COMPATIBILITY:  
WINDOWS, MACOS  
& ANDROID**

Switching between devices is a breeze considering the DS-02's cross-platform compatibility. It works flawlessly with Windows, MacOS, and Android. Feel free to use it with laptops, tablets, or smartphones. No matter the device, this hub is your universal connection solution.

## ALUMINIUM CASE

Built for durability and style, the aluminum case of the DS-02 means more than just good looks. It's lightweight, resistant to everyday wear and tear, and keeps your hub cool even during heavy use. We call it a hub that works hard and stays classy.
