## Reset

Turn on the power, hold the Switch/Pairing for 8 seconds and let go when the socket starts to flash quickly, the reset is successful.

When the socket is in a new network environment, you need to restore the factory settings, and then reconnect to the network.

## Warnings and Precautions Important!

- Keep it out of the reach of children and pets.
- Do not use this product in humid environments or outdoors. It's for indoor use only.
