

Pocket-sized Fast Charging Power Bank With Foldable USB-C Connector & Lightning Cable

Experience uncompromised power and convenience with the NanoPack-5, your go-to companion for portable charging. Boasting a robust 5000mAh lithium-ion battery, NanoPack-5 ensures your devices are always powered up. Say goodbye to cable clutter with the built-in 18W Power Delivery Lightning cable, while the 20W Power Delivery port guarantees blazing-fast charging for your USB-C devices. Its foldable 20W USB-C Power Delivery connector simplifies charging even further. Safety is paramount with the Multi Protect System, guarding against over-charging and high-voltage issues. Stay informed with the smart LED screen and revel in NanoPack-5's ultra-compact design with a foldable kickstand, making it the perfect travel companion.

Features

Powerful Battery Capacity

NanoPack-5 boasts a powerful 5000mAh lithium-ion battery capacity, so you can keep your devices powered up, anywhere, anytime.

Built-In Lightning Cable

Eliminate the inconvenience of carrying additional cables with the inclusion of an 18W Power Delivery Lightning cable built into this versatile power bank.

20W Power Delivery Port

NanoPack-5 provides blazing-fast charging for your USB-C devices like smartphones and tablets with the 20W Power Delivery input/output port.

Foldable USB-C Connector

Forget the hassle of carrying extra cables as NanoPack features a built-in 20W USB-C Power Delivery, foldable connector.

Multi Protect System

NanoPack-5 ensures safe and dependable charging, as it features over-charging and high-voltage protection.

Smart LED Screen

Featuring an LED screen, it will keep you informed on the charge left on your NanoPack-5 power bank.

Foldable Kickstand

NanoPack-5 also features a foldable kickstand, that offers stable charging as well enhanced viewing, for your smartphones.

Ultra-Compact Design

Lightweight and portable enough to put in your pocket, place in your bag, or use on the go. The in-built cable can also be used as a convenient handle.

Specifications

- Battery Capacity: 5000mAh, 3.7/18.5Wh
