

Anti-Lost Tracker

OnTag 1

Never lose what matters most to you. The OnTag 1 Anti-Lost Tracker is your everyday hero: slim, reliable, and designed to keep your essentials safe and always within reach. Whether it's your keys, bag, or even your pet's collar, OnTag 1 works seamlessly with Apple's Find My network, so you'll always know exactly where your items are. There's no extra app or complicated setup required.

Officially certified by Apple, this little tracker pairs with your iPhone or iPad through BT 5.2 and starts working instantly. Its long-lasting battery powers up to 10 months of worry-free tracking, and when it's time for a change, replacing the battery is as simple as twisting a coin. Life's already busy enough, and keeping track of your things shouldn't be.

Built to handle more than just forgetfulness, OnTag 1 is IP66 waterproof and designed to withstand everyday splashes, unexpected downpours, or dusty corners of your backpack. And with a temperature tolerance from -10°C to +65°C, it won't flinch whether it's tossed in your coat pocket during a winter walk or left in a hot car during summer.

With OnTag 1, peace of mind comes in a small but powerful package. It's always ready to help you find your way back to what matters.

OFFICIALLY CERTIFIED BY APPLE

OnTag 1 isn't just compatible with Apple's Find My network, it's officially certified by Apple and meets the highest standards for integration, security, and performance. This certification guarantees that everything works just as you expect. Paired with your iPhone, it becomes part of a powerful ecosystem that helps you locate your items quickly, securely, and reliably — the Apple way.

COMPATIBLE WITH APPLE DEVICES: IOS 14.5 AND ABOVE

OnTag 1 is a perfect fit for Apple users, offering flawless compatibility with iPhones running iOS 14.5 and above. Feel free to use the latest iPhone or one from a few years back, and OnTag 1 will integrate smoothly into your setup. No glitches or workarounds — just native support that lets you connect and track your belongings. It can be a natural extension of your Apple experience, without the need for additional apps or complicated setups.

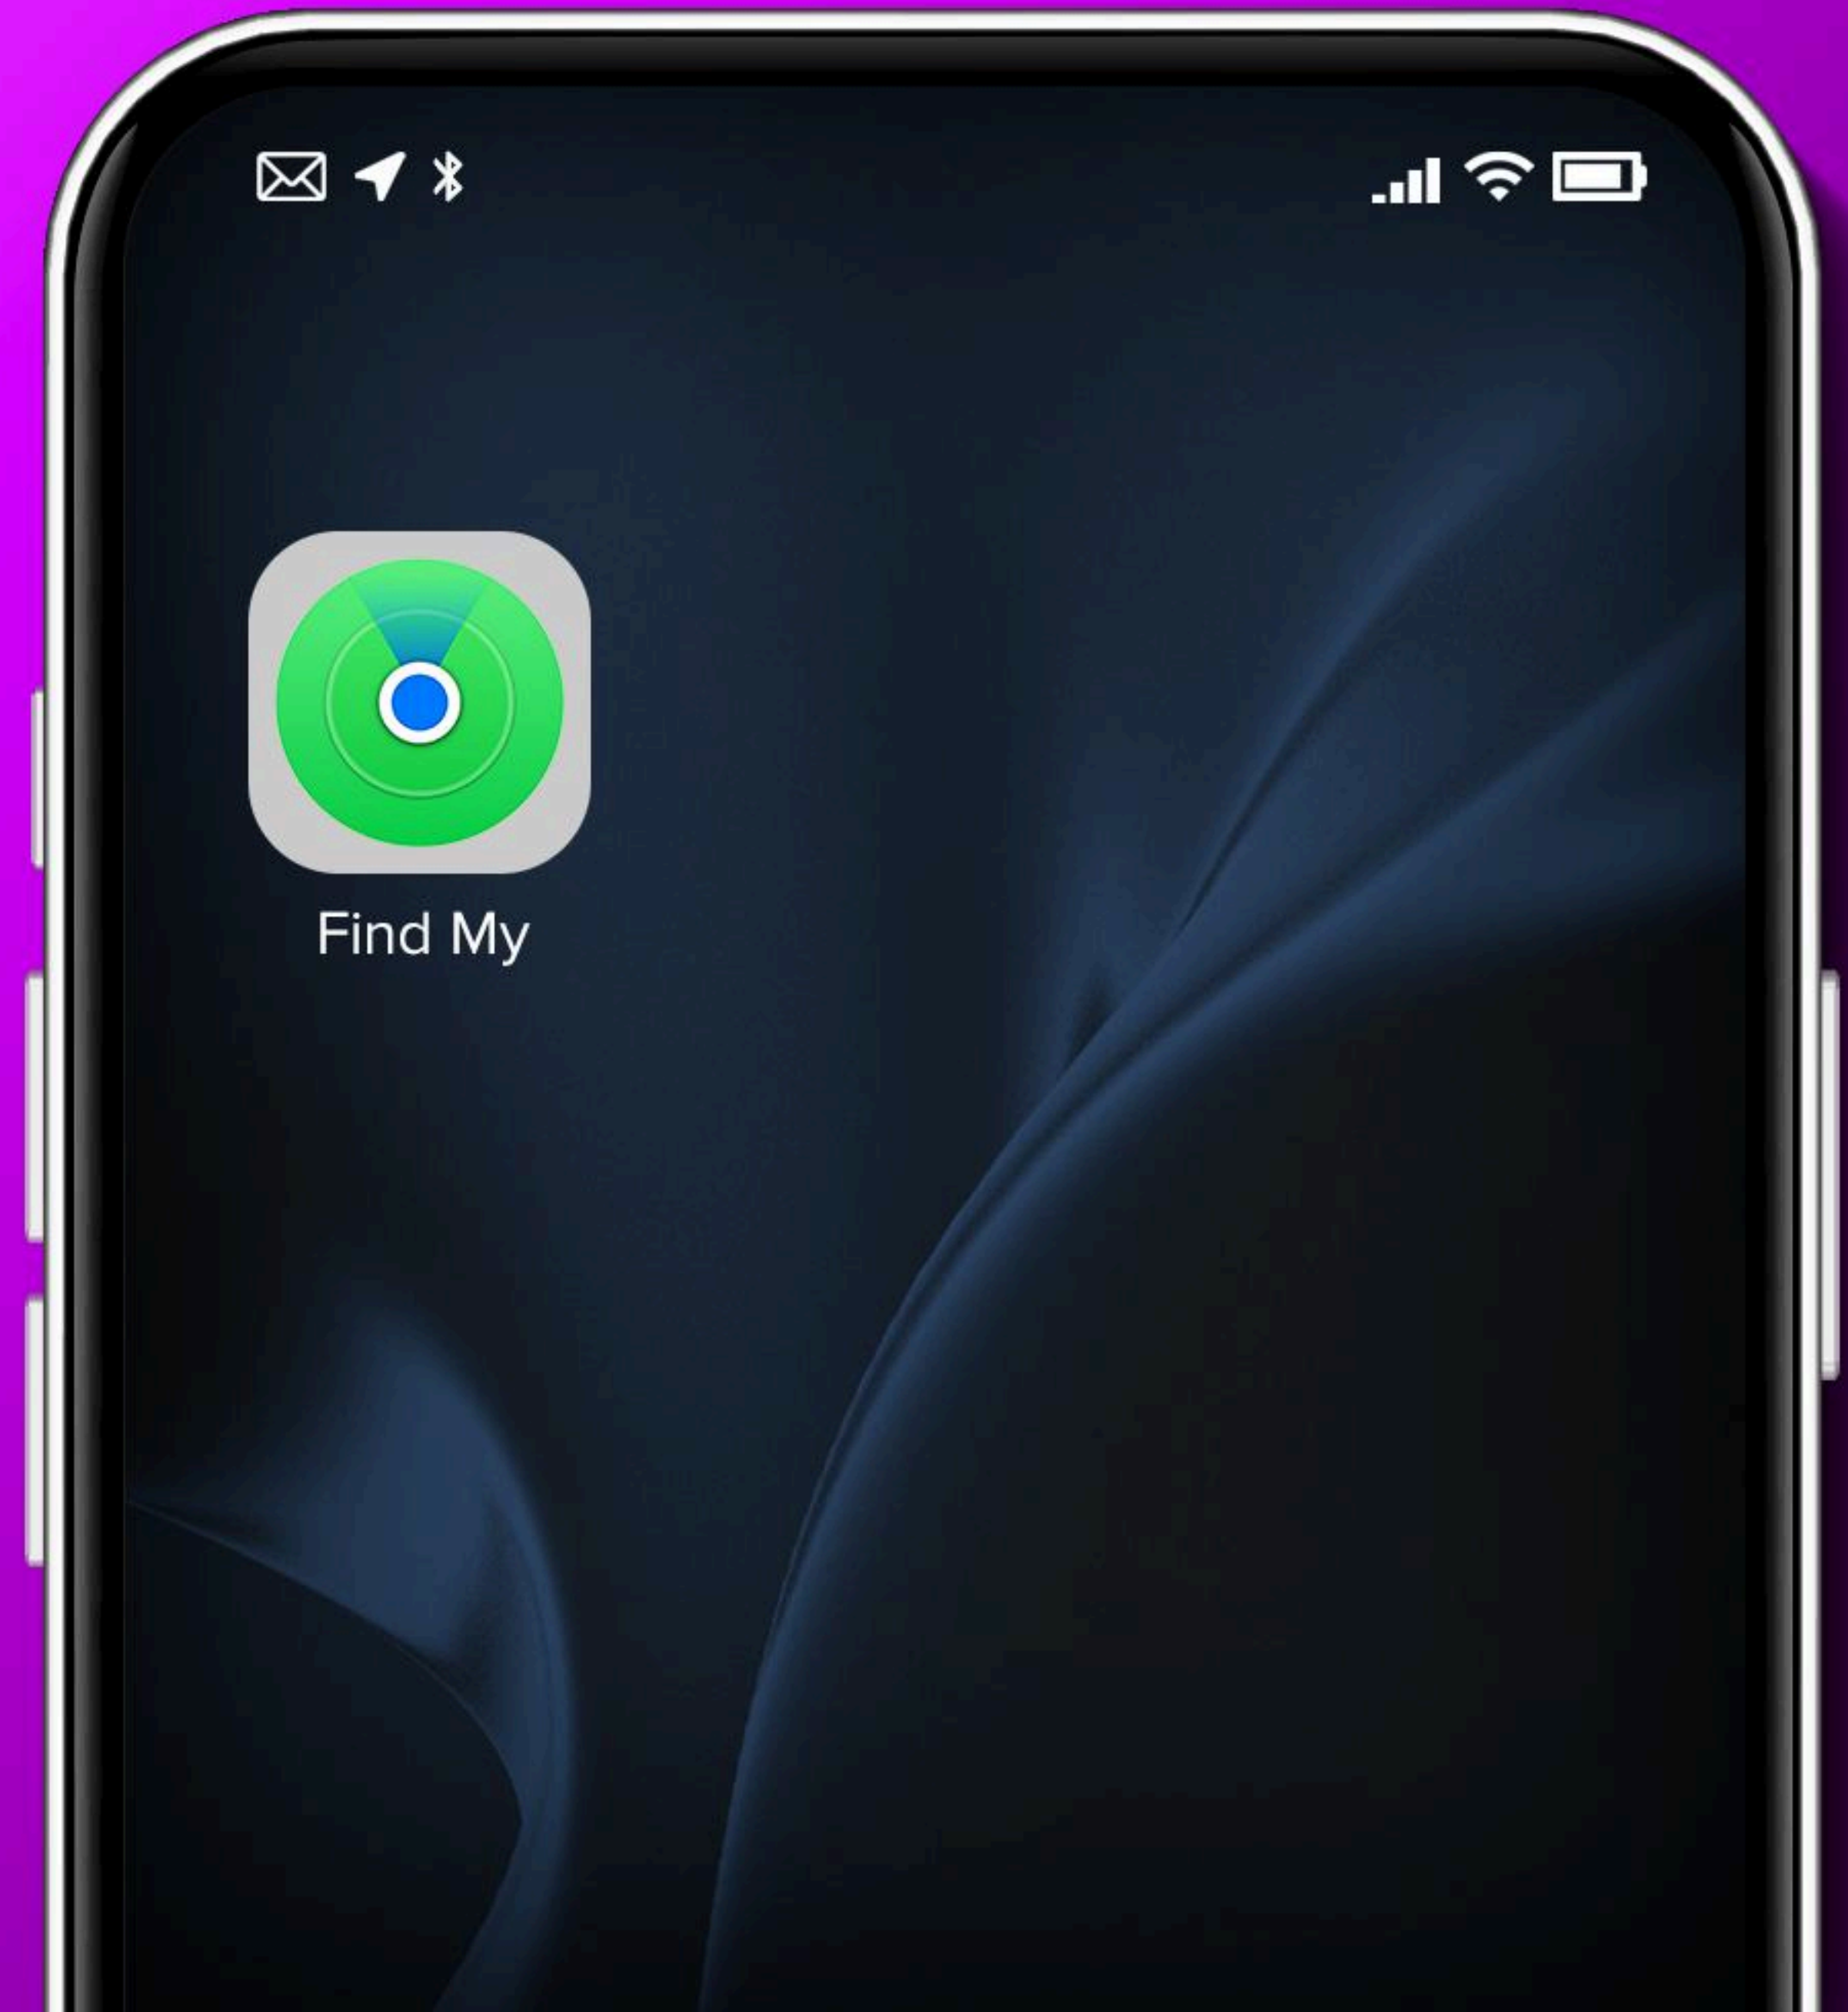

FIND YOUR BELONGINGS WITH EASE

Losing things is frustrating, but finding them doesn't have to be. With OnTag 1, you can quickly locate your essentials using Apple's Find My network, the same powerful system that helps locate your iPhone or Mac. Left your backpack behind at a cafe? Are your keys hiding in the couch cushions? OnTag 1 shows you exactly where to look.

NO APP NEEDED

No extra downloads or complicated setups. OnTag 1 is fully integrated with Apple's Find My network, which means you don't need any third-party apps to get started. Pair it directly with your iPhone, and you're good to go. It's all handled through the native Find My app, so you can start tracking your things without cluttering your phone with more apps.

UP TO 10 MONTHS BATTERY LIFE

Set it and forget it, literally. OnTag 1 is designed to run for up to 10 months on a single CR2032 battery. Clip it to your keys, tuck it into your bag, or attach it to your pet's collar – and you won't have to worry about recharging or replacing the battery anymore. Reliable tracking and peace of mind, day in and day out.

EASY BATTERY REPLACEMENT: KEY FOR EASY BATTERY SECTION ACCESS

EASY

When it's finally time to swap out the battery, you won't need any tools, special skills, or extra effort. OnTag 1 is designed with a discreet but accessible compartment that opens easily using a simple key. It's quick, fuss-free, and built for everyday users.

IP66 WATERPROOF

Spills happen, rain pours, and sometimes your bag ends up somewhere it shouldn't. That's why OnTag 1 has an IP66 waterproof rating, making it tough enough to handle dust, splashes, and unexpected downpours.

MULTIPURPOSE: PETS, LUGGAGE, KIDS' THINGS, BAGS, KEYS & ANYTHING ELSE

The OnTag 1 isn't just for finding lost keys. It's an all-around tracker that adapts to your life. Clip it to your pet's collar to keep tabs on them during walks, attach it to your luggage to breeze through baggage claim, or slip it into your child's backpack for security. From everyday essentials to items you can't afford to lose, OnTag 1 tracks whatever matters most, wherever it goes.
