WELCOME TO LEGO® DIAGON ALLEY™

Following the release of LEGO® Hogwarts™ Castle and Grounds (76419), we now travel to another enchanted location in the Wizarding World™: Diagon Alley™. Some of the most iconic scenes in the film series inspired this set; from the first time we see Harry Potter™ enter this hidden world of magic to the Ukrainian Ironbelly dragon's epic escape from Gringotts™.

To learn the right building spells for this model, our design team visited the Warner Bros. Studio Tour – The Making of Harry Potter™ in London and did lots of research on every shop you can see in the setting. It was a fun design challenge to find a balance between accuracy and colourful enchantments in the 16 shops, and to create a lively skyline for this beautiful street. With 12 of the most beloved and infamous characters from the films, now you can recreate all the magical hustle and bustle we love about Diagon Alley!

At 88 cm (34.5 in.) long in total, the model can also be folded to recreate a classic view of Diagon Alley™ with Gringotts™ at the centre.
